

"I roamed  
the dark  
streets of my  
mind, got  
lost in the  
alleyways of  
my heart.

Not sure  
what is that I  
would find,  
but alone in  
those streets  
I fell apart."

"A dark  
alleyway  
Only leads to  
what you've  
seen before  
But  
nevertheless,  
open the door  
And there it  
stands, cold to  
the core."
